

Students: What are your plans for Summer 2007? If you love the outdoors, apply today [<http://www.kintera.org/TR.asp?ID=M7223835411542360638953465>](http://www.kintera.org/TR.asp?ID=M7223835411542360638953465) to the Conservation Careers Diversity Program!

Become a PAID Summer Intern with the USDA Forest Service (FS) [<http://www.kintera.org/TR.asp?ID=M7223835511542360638953465>](http://www.kintera.org/TR.asp?ID=M7223835511542360638953465) or the US Fish and Wildlife Service (FWS) [<http://www.kintera.org/TR.asp?ID=M7223836211542360638953465>](http://www.kintera.org/TR.asp?ID=M7223836211542360638953465) .

Application Deadline: February 15, 2006
Apply Now: www.eco.org/ccdpapp [<http://www.eco.org/ccdpapp>](http://www.eco.org/ccdpapp)

The Conservation Careers Diversity Program focuses primarily on providing internship opportunities to African, Asian, Hispanic and Native American students. Candidates should make sure to read specific eligibility requirements and descriptions for each program.

Students gain research, technical, and leadership skills. Real-life experience - with potential to gain academic credit!

If you are a college or graduate student who is studying disciplines related to:

- Forestry (Fire, Silviculture, Timber)
- Biological Sciences (General, Fisheries, Wildlife, Ornithology, Plant)
- Ecology, Natural Resources, Parks and Recreation, Education
- Civil Engineering and Landscape Architecture
- GIS, Geology, Range Management, Hydrology
